

Lean 15 Checklist		
If you recognise these as issues in your business, 'Lean' tools and techniques can help		
£ Pressures		
1	Under pressure to reduce prices?	
2	Need to reduce costs?	
3	Under pressure to buy additional machinery? How well is your existing capacity really being utilised?	
4	About to sign that order for a building extension or move to bigger premises? Just how well is current floor space utilised?	
5	Producing too much secondary product, re-work or scrap?	
6	Overtime costs stubbornly high?	
Operational Pressures		
7	Customers demanding greater varieties of products and shorter lead times?	
8	Are product changeovers a problem?	
9	Outputs unpredictable?	
10	Too much downtime?	
11	Wasting valuable time fire fighting the same old issues?	
12	Got some data but not enough really useful information?	
13	Difficulty in deciding priorities?	
14	Finding it difficult to retain and train staff?	
15	You have a vision of how things should be but can't see how to get there?
